

Potential Cast Members

February 11, 2016 - Spoke to Christine Logan about men and children.

She is going to speak to the mother of the kids from the Sorcerer. They decided not to be in The Beggars Opera but that could have been because the kids didn't actually have a part. If I am offering them parts then they might be interested. She is helping out with make-up (I think) for The Beggar's Opera but she might be interested in singing in Balls & Chains together with her kids.

Christine also has some nieces living over this way - she'll talk to them as well.

She'll also try and track down some of the men that Frank suggested:

Arthur (bass) - local

Max (tenor) - St Mary's

Lindsay (the guy that partnered Judie in The Sorcerer) - could be a good Governor
