

Hi Deb,

We will have a bus and driver available on Sunday June 4 2023 as requested and if you could just confirm the details when it gets closer to the date. Your performance of Reedy River looks like it will be a wonderful day out for residents of Broken Hill and I'm sure it will be popular with many of our clients as well. If you email me a flyer I would be happy to hand them out to clients.

Good luck
